Welcome to Hope Springs Church:

Over the past few weeks, we celebrated the greatest event in the history of the world, the resurrection of Jesus. That ONE event launched a movement called "the Church" and we are all a part of that movement today. It causes us to have faith, hope & joy. It gives us the determination & power to pray **BIG & BOLD PRAYERS**.

Additionally, we're so glad you're here! When you come to church & spend time in worship, you're taking time to stay connected with God & with those people that make up the church. John 15:5 says, "I am the vine; you are the branches. Those who remain in me... will produce much fruit."

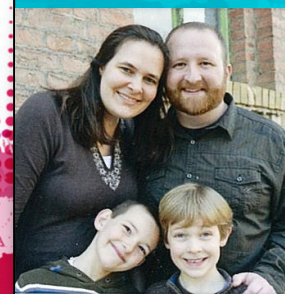

When you are connected to God, you are connected to your life source & everything you need is found in Him — joy, strength, peace, endurance, & hope. As you draw close to Him today, you can be confident that His abundant love will speak to you.

Here are a few suggestions to make your worship experience a great one:

- ◆ We honor ALL of our guests & ask them to please be sure to fill out a Connection Card, found inside this Worship Guide. You can place it in the offering baskets on the stage on your way out or turn them in at the First Impressions Booth in the foyer & we'll give you a free gift today.
- ◆ Parents, we encourage you to take advantage of our wonderful Young Believers Ministry downstairs. All children 5th grade & under are welcome. For security purposes, please be sure to sign your child in & out.
- ◆ Please remember to silence all cell phones during service.
- ◆ We truly pray you experience God in a fresh & impactful way today & you will allow the Holy Spirit to minister to you. If you need prayer for a specific need, please find your way to the front of the stage & a prayer partner will meet you there.
- ◆ There is additional parking across the street if needed.

Cheering You On,
